

Hello,

My name is Michael Bernstein, owner of Savour This Kitchen. As a catering company we have worked weddings, fundraisers, corporate events, and other types of functions. Recently we were hired by Dorothy Cruz, owner of Dorothy Rose Events, to cater a retirement party at Kaiser Permanente.

When we arrived at the event, Dorothy greeted us and gave us a lay of the land. Everything was already set up and ready to go. She walked us through what she would like us to do, and when, according to the time line. She showed us to our designated prep area. She left us to our business, and reiterated that if we were in need of anything, we should contact her and that she would be receptive. Needless to say she was good for her word, and assisted us with any of our needs, which helped ensure the timeliness of our food delivery, and as follows the success of the event.

My overall impression in working with Dorothy is that she is very dedicated, and super focused. Her vision for the event was very clear, and in working with the various vendors hired, she executed this well. Her clarity made her a delight to work with, because at no time was I confused as to what was happening, or what I ought to have been working on. The feedback from the guests for Savour This Kitchen, as well as Dorothy, was nothing short of stellar. If you are looking for a professional individual with a creative vision, and a strong drive, Dorothy is the right person for the job. I would recommend her for any kind of event or function.

Sincerely,

Michael Bernstein
