To whom it may concern:

Tres LA Catering worked with Dorothy Rose Events over two weddings in 2012 and in 2014. During the months of preparation, Dorothy was an asset in communicating details with us, other vendors, and our wedding clients. Prior to each wedding, she provided an organized and detailed wedding timeline, and assisted our clients in making design choices and understand logistics that impacted their weddings.

We are happy to recommend Dorothy Rose Events with confidence that she will do an excellent job coordinating any upcoming weddings at your facility and with your catering staff.

Best,
